*This initial interest rate is effective for new annuities with a minimum premium deposit of \$20,000 issued on or after June 6, 2016 for the first 5 contract years only. Thereafter, the company may declare at its sole discretion a new rate which could be lower. This initial rate is also subject to change for new contracts at our sole discretion at ANY TIME. Surrender charges and market value adjustments apply to withdrawals in excess of the accrued interest during the “guarantee periods” which are 5 years. There is a 30 day window at the end of each 5 year guarantee period where all or part of the annuity value may be withdrawn without application of surrender charges or market value adjustment. A new guarantee period and surrender charge period will begin after the end of the previous ones. The surrender charge is 9% in the first year and declines by 1% each year for the next four years and repeats for each successive period. Annuities are long-term savings vehicles that are subject to limitations and conditions, state availability and certain suitability requirements.
